## Enrolment fee

---

The enrolment fee of €25,00 will be charged as soon as the agreements are signed, the fee will be debited automatically from the account number that is presented upon registration.

## Childcare allowance

---

Childcare allowance is available to every family where both parents work or study – irrespective of their income and percentage they work. Single parent families also qualify to receive the allowance. Foreign parents residing in The Netherlands as well as tax-exempt residents, such as Diplomats and employees working at International Organizations are also eligible to receive this allowance. For more information please visit [www.toeslagen.nl](http://www.toeslagen.nl)

Parents who use government recognised childcare services qualify for Childcare Allowance, which can be claimed through tax return. To submit an application for Childcare Allowance, you will need our registration number from the National Childcare Register (LRK).

Villa Bloom's LRK number is: 230353927

An application for Childcare Allowance can be submitted no later than three months from the start date of childcare.

To apply for the childcare allowance you need a Digi D code. The Dutch tax department can provide the Digi D code. For more information about the childcare allowance please visit: [www.toeslagen.nl](http://www.toeslagen.nl)

## Hot meal

---

An optional hot ( organic) meal will be served every day at 17.00 pm.

The price for this meal is €4,50

## Intake & adjusting

---

To facilitate a smooth transition to Villa Bloom after school care, an interview will take place between parents and the teacher of your child's group. During this interview, we will make arrangements for the settling-in days, discuss the intake form and our schedules and policies will be discussed. These appointments will be made in August, even as the adjusting moments. This service is free of charge.

For more information regarding our programmes, policies and more practical information, please visit [www.villabloom.nl](http://www.villabloom.nl)
